### **About the Challenges**

#### **Refer to the IMTCA 2019 Official Handbook of Rules and Regulations**

What to expect at a Challenge. A competitive event for Mountain Trail is known as a “Challenge”. A Challenge tests a horse and rider’s ability to navigate both natural and man-made obstacles in a safe manner and with technical skills that demonstrate great horsemanship. Each Challenge has three levels of difficulty that are designed to challenge but not intimidate riders.

The overall purpose of a Trail Challenge is to promote good horsemanship skills and provide an educational venue for equestrians. A Trail Challenge tests a horse and rider on their ability to work as a team and navigate obstacles which they might experience on a trail. A Trail Challenges can be a lot of fun and improve the relationship of the horse and rider by introducing them to new experiences.

In IMTCA challenges, contestants are required to navigate a course with at least 6 approved obstacles and no more than 16 as set forth in this handbook. Sometimes they will encounter difficult trail situations which will better prepare the horse and rider in the real world. Through education and experience, riding becomes more pleasurable, while safety and fun are encouraged.

**OAK SPRINGS FARM**

### **GAMBLERS CHOICE**

The rules are different. You have 2 minutes to show your skills. Navigating the obstacles is all that counts. However if a horse steps out with just one foot the obstacle does not count for a score. Each obstacle has a value which is given when show starts. You must be across the finish line when the 2 minutes are up or the score does not count.

**\*\*\* New this year, You may ride Bridleless in any Open Class Level 2 and 3 only. \*\*\***

### **LONG LINE CLASS**

Up to 7 obstacles keeping safety in mind of your lines. You will not be asked to do teeter totters, swing bridges, rolling bridges or cross bucks. Long Line Class is executed at a walk.

Long-Line/Ground Driving is completed with two lines with the handler on the ground.

It is an open to all Divisions. It is a Level 1 class.

Lines should be 15'-22' long (suggested) and can be connected to halter (leather or rope), a side pull (that will need to be inspected and passed at Tack Check) or bridle with a snaffle bit only. A surcingle can be used but is not compulsory. The horse/handler team should show a willing, bold and confident partnership and moving forward in a safe manner.

# **IMTCA Mountain Trail Grass Roots Schooling Challenge**

## **DEFINITIONS, INVOLVEMENT AND PARTICIPATION**

### **OAK SPRINGS FARM**

#### **Definitions, Involvement, and Participation**

The following Levels and Divisions are recognized by the International Mountain Trail Challenge Association: Within each Division there are 3 Levels:

**Partnership** is a horse/handler/rider team. A handler/rider may compete with different horses in different levels. Example, a handler/rider may have a new partnership eligible for Level 1, and a finished partnership at Level 3.

**Trainers** train horses and/or riders for remuneration, either monetary or in kind. Trainers shall compete only in Open Classes.

Each handler/rider/horse partnership may compete in two levels at a challenge. Examples: Levels 1 and 2. Levels 2 and 3. Show management may specify other participation parameters.

**Levels (Partnership) Level 1** –This is considered a new Partnership. Obstacles should be easy to explain to the team: basic maneuver or technique needed to complete the obstacle. The course will be at the flat-footed walk.

**Level 2** –This is considered an established Partnership. The rider and Horse are familiar with one another, exhibit trust when negotiating obstacles and are conditioned to ride a longer Course. May include some jog, trot, running walk, gait, or intermediate gait up to and between obstacles, forward ground covering is encouraged; 180, 270 or 360 degrees on certain obstacles.

**Level 3** –This is considered a Partnership where Horse and rider have established trust, can negotiate difficult obstacles and are conditioned to travel a longer Course. May include some canter or lope up to and between obstacles; 180, 270 or 360 degrees on certain obstacles.

#### **Divisions (Handler/Rider)**

**1) Lead Line:** This is defined as anybody requiring a lead line from an adult by their side (e.g., a child or equestrian with disabilities). The rider shall be a minimum of 6-years old. A Lead Line Rider may not compete in classes without a Leader. The Leader shall be a minimum of 18-years old. Helmets are required for riders competing in Lead Line.

**2) Youth Division:** This is defined as participants under 18 years old based on age as of January 1st; minimum age to compete will be 6 years old. Youth classes may be separated into multiple age groups. Example: 6 – 13 and 14 – 17. Helmets are required, all youth must wear helmets at IMTCA sanctioned events. A youth cannot exhibit a stallion.

**3) Novice:** This is defined as the first year the handler/rider is competing trail obstacles in any organized trail or cowboy race competitions.

**4) Adult Division:** This is defined as participants 18 and older based on age as of January 1st.

**5) Open Division:** This is defined as all handler/riders. Novice may not show in Open Division. Participation Segments

#### **Participation Segments:**

**In-Hand:** This is defined as a class where the handler leads the horse from the ground.

**Junior Horse:** This is defined as a horse 5 years and under as determined using the standard January 1st age progression. (A horse born April is considered 1-year old on January first). This is an Open Class.

**Senior Horse:** This is defined as a horse 6 years and older as determined using the standard January 1st age progression. (A horse born April is considered 1-year old on January first). This is an Open Class.

**Mini/Pony:** This is defined as a horse 13-hands and under. A mini/pony must follow the mini/pony pattern In-Hand. This is an Open Class.

## **IMTCA Mountain Trail Grass Roots Schooling Challenge**

### **OAK SPRINGS FARM**

### **OBSTACLE GUIDELINES**

The Handler may either send or lead the horse through the obstacle unless specified on the course pattern.

The Handler may be on either side or in front of the horse, changing sides during the pattern is acceptable with no break of gait. Stopping to change sides will be penalized as a break of gait.

No penalty is given for a hesitation on entry to acknowledge the obstacle, not to exceed 3-seconds. Hoof Check: Horse is to stand quietly.

**Water Crossing:** The Horse should walk through the water quietly in a continued forward movement. Break of gait deduction -1 for drinking if they stop.

**Step over:** Step over without striking the obstacle. Horses are not penalized for hopping over very tall obstacles as long as the action is done in a calm manner.

**Bridge:** The Horse should step up, walk across, and step off quietly.

**Drag:** Rider may hold rope or dally once. There is to be no tying hard and fast. At no time should the rider or horse get tangled in the rope. Horse should stand quietly during preparation and then pull or drag in control.

The judge has the right to ask the rider to by-pass an obstacle if he/she feels it will be unsafe. Control of the Horse must be maintained throughout the event.

Stallions may compete in adult classes. No youth shall exhibit a stallion in any class.

The minimum age of a horse to compete in hand is 6-months, and under saddle is 2 years, or Affiliate's Country standard, as determined using the standard January 1st age progression. (A horse born April is considered 1-year old on January first).

**Mounting and Dismounting:** A mounting block will be provided and may be used with no penalty. Rider must always check cinch before mounting; stirrup does not need to be laid over the saddle. Horse is to stand quietly and not move out when mounted and dismounted. A smooth mount and dismount does not unbalance the horse. Reins shall be held at all times.

While mounting and dismounting, the rider may hold saddle in a manner that results in a smooth balanced movement. Holding the cantle is allowed.

Allowing reruns is determined by the Judge, reruns may be allowed in instances of equipment failure. When equipment failure causes a delay or a run to be discontinued, the judge may disqualify the entry. Reruns are at the Judge's discretion and are not required.

Scoring is based on the partnership's ability to navigate the course. Each partnership starts with a 70 and earns points throughout the course. Each judge may award up to 5 points for horsemanship. First through fifth place ribbons are given in each class in each division offered at a challenge. Additional awards will be at the discretion of the event coordinator. The Partnership with the highest overall value is named 1st. All scored classes score sheets are to be posted at the end of the event.

A Rider cannot receive a greater deduction than -9 for any given obstacle where the rider acknowledges or tries the obstacle. A horse that receives a -9 for any obstacle for a complete refusal may NOT place higher than a horse with a score for each obstacle. Off course or missed obstacle will receive a deduction of -18 for each obstacle missed.

**Tie Breaker:** The senior judge will designate an obstacle as the "tie breaker obstacle". A second and third "tie breaker obstacle" will be chosen and used only if the first tie breaker obstacle does not break the participants' tied score. These will be designated before the competition commences. The participants will not know which obstacles are designated tie breakers.

## **IMTCA Mountain Trail Grass Roots Schooling Challenge**

### **OAK SPRINGS FARM**

### **EQUESTRIANS WITH DISABILITIES**

Allowances for riders with permanent physical or mental disabilities are permissible at the discretion of the Senior Judge and show management. A rider with a temporary or permanent disability should advise the Senior Judge and show management prior to the riders meeting. A test reader may be allowed with prior show management approval for equestrians with disabilities. This rule does not apply to person(s) with a temporary cast, etc. which is not considered a disability and will be up to the property owner, senior judge and/or Trail Challenge management as to whether this person can compete. Final say will be based on the Trail Challenge Management and Senior Judge, and that decision will be final without recourse of any nature.

### **JUDGES**

Judges must be a knowledgeable horseman or horsewoman, and certified by the IMTCA under the Trail Challenge Judges Program. A judge must have the ability to evaluate horsemanship skills such as a rider's skill in controlling and maintaining the horse. Additionally, the judge should be familiar with the natural movement of different breeds of equines as well as various riding disciplines. Holding any special judging card from any other organization is not required.

The number of judges needed depends on the course, the number of obstacles, and the availability in the area for certified judges. Depending on the course, between one to four judges may be needed. Most courses tend to dictate the need for more than one judge due to time constraints and topography. The designation of a senior judge will apply to the appropriate judge if there is more than one judge.

### **JUDGING MOUNTAIN TRAIL AND TRAIL CHALLENGE**

#### **Attire and Tack**

Tack and Attire will be presentable, clean, and free from torn or frayed items. Tack and attire with decorations is allowed if it does not interfere with safe function. Tack and attire with decorations will be neither penalized nor be promoted. Riding boots with a closed toe and heel are required at all times when handling or riding. Splint boots are recommended and allowed. Youth and Lead Line must wear helmets at IMTCA sanctioned events.

#### **Equipment**

The senior judge or ride management shall have the authority to require the removal or alteration of any piece of equipment or accoutrement which is unsafe, or in his or her opinion, would tend to give a horse an unfair advantage or which he or she believes to be inhumane.

Halters and lead ropes will be rope, leather, or synthetic. Lead ropes shall be sufficient length to safely maneuver through the obstacles, 12' – 14' is recommended.

Lead chains and correction halters that tighten are not allowed.

Whips or crops of any style are not allowed In-Hand or bridleless.

Halters, cavessons, bosals, bosalitas, or nosebands are allowed to be worn under a bridle. Equipment must allow for two fingers to fit between the equipment and the nasal plate. Reference <http://dressage-news.com/2017/10/17/denmark-to-impose-limit-on-noseband-looseness-in-competition/>

A horse may be ridden bridleless with no penalty (Only for Open Classes Level 2 or Level 3).

When ridden bridleless the neck strap may be natural or synthetic material. Chain, prong, or spike neck straps are not allowed.

A horse may be ridden bitless with no penalty.

Bitless headstalls that apply compressive pressure and mechanical hackamores are not allowed.

When a Curb strap is used, it may be natural, synthetic, or smooth flat chain. Curb straps will be adjusted to allow a minimum of two fingers flat between the chin and the strap.

When a back cinch is used, a gap of no more than hand laid flat between horse and cinch is allowed.

## **IMTCA Mountain Trail Grass Roots Schooling Challenge**

**OAK SPRINGS FARM**

### **SPECIAL ITEM RULES**

No rider will be allowed to ride double or bareback at any time.

No horse may be shown twice in the same class.

Gag bits, of any style, are not allowed.

Compression bitless headstalls are not allowed Mechanical hackamores are not allowed Standing and running martingales are not allowed.

Draw reins are not allowed.

Tie-downs are not allowed.

Use of treats while on course is not allowed

A Test Reader (only for Novice and Level 1), supplied by the handler/rider, may be used to call the next obstacle. The test reader may only say what the next obstacle is, they are not allowed to give detailed instructions for the obstacle. The test reader may not walk next to the participant, if the course is large, they may change locations if needed. An option is the use of electronic devices similar to hand held radios with ear piece for the participant. If an electronic device is used, the test reader shall be near a Challenge Official as the method to ensure detailed instructions are not given. If a test reader is used, a 1-point penalty for Horsemanship will be taken. Test readers are not allowed at Regional or National Events. Equestrians with Disabilities will not be penalized for use of a test reader if prior approval was obtained per Section 8.

### **GENERAL SCOPE OF SCORING**

#### **Objectives**

The epitome of perfection in Mountain Trail competition is having the horse display a bright expression and focus. It's satisfying to the rider and to the judges to watch a horse pick its way through a tough rock obstacle with boldness and confidence. Recognizing this is essential to accurate and fair judging. Overall Appearance: vigorous and fun with boldness and confidence – it's a pleasure to watch, a crowd pleaser and a sure winner.

**Leading:** Horse is to follow willingly, not lagging or crowding. Horse must be led by a lead rope.

When competing In-Hand, center may vary based on if the equine is sent over an obstacle, or if the Handler leads in front of, or next to, the equine. The obstacle is still split in thirds to visualize center.

--An equine sent over the obstacle should be centered.

--An equine following the Handler over the obstacle should be centered.

--If the Handler is side by side on the obstacle with the equine, center is between them

The Handler may either send or lead the horse through the obstacle unless specified on the course pattern.

The Handler may be on either side or in front of the horse, changing sides during the pattern is acceptable with no break of gait. Stopping to change sides will be penalized as a break of gait.

No penalty is given for a hesitation on entry to acknowledge the obstacle, not to exceed 3-seconds.

**Hoof Check:** Horse is to stand quietly.

**Water Crossing:** The Horse should walk through the water quietly in a continued forward movement. Break of gait deduction - 1 for drinking if they stop.
